LINUS

484-60-VB

CORBETT

Elements of repetition and scale are skillfully balanced in the Linus chandelier to create a striking visual impact. Finished in Vintage Brass, the concentric rings that form the framework support a series of globes. Marked by a unique, crackled effect, the antique quality of the White Luna glass adds an air of artistry. What sets this family apart is its versatility: despite the five distinct options, only three rings are used to create an array of configurations.
