HUDSON VALLEY LIGHTING

A modernization of a traditional silhouette, Stowe features alabaster tubes wrapped at the center by a band of Aged Brass. The sconce mounts the cylindrical shade on a straightforward metal backplate while the 24-light chandelier arrays the shades in pairs around a center point at varying depths and heights adding dimension and a sculptural feel.
*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
