HUDSON VALLEY LIGHTING

A delicate and slender hand-blown piece of Piastra glass is mounted on an Aged Brass stem, creating the focal point of this botanical-inspired sconce. Resembling a leaf, the glass has been crafted with grooves that replicate the natural texture and variation of leaves. Concealing an LED, this sconce gently diffuses light over small areas.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
