HUDSON VALLEY LIGHTING

With a side-profile like a rising sun and handsome knurled pins so you can adjust both the length of its extension and the tilt of its smooth shade, Vernon is designed to illuminate your prized acquisitions. Different lengths and finishes accommodate paintings and personal treasures of various sizes. Vernon comes with a cord featuring an in-line switch; it may only be plugged into a standard electrical outlet on the wall. Since it may not be hardwired, it's an excellent picture light for those like to often change things up.
