TRAGUS

466-14-VB

CORBETT

Taking cues from the faceted shapes found in Noz Nozawa's jewelry design sketches, Tragus resembles a gem suspended on a necklace. The design features a faceted inner clear glass shade and a curved outer glass in light bronze, striking a balance between intrigue and approachability. The inclusion of decorative metal detailing and a mariner chain, developed specifically for Noz, enhances the illusion. Tragus is available in two sizes in a Vintage Brass finish. Part of our Noz Nozawa collection.
