ROWE

HUDSON VALLEY LIGHTING

Celebrating simplicity of form, the Rowe sconce bridges the material gap between delicate crystal and robust metalwork to create an elevated staple. Designed with a unique bias cut around the edges, the shade's elegant shape facilitates a directional light emission. A large metal cuff supports the shade at its center, creating a sleek point of contrast. Available in Aged Brass, Old Bronze, and Polished Nickel finishes, Rowe is a versatile addition to small spaces.
