KERT

9417-AGB

HUDSON VALLEY LIGHTING

Kert combines glass and metal in a fresh and functional way. A pair of half-round, clear glass shades are enclosed behind the bulb and mounted on a ring of metal at the center, giving the piece an impressive, sculptural feel. Large in scale and highly versatile, Kert is available as a wall sconce that can be mounted vertically or horizontally, a linear, and a pendant and chandelier in two sizes.
