

OBIE

F3051-PBR/BRZ

The showstopping Obie chandelier radiates warm, even light throughout a space with its undulating, cosmic shape. Following a circular wave, the arms gently dip up and down to create a different view from every angle. While the silhouette is design-forward, the finish combination of Patina Brass and Bronze is inspired by mid-century modernism. Obie is also available as a single light sconce.
