DENALI

L1361-BK

HUDSON VALLEY LIGHTING

Reminiscent of a hand-sculpted vase, Denali combines an earthy feel with a subtle sophistication. Gold Leaf accents give the fixture a touch of shine and the asymmetrical line at the top of its smooth teardrop shape adds a sense of calm and visual interest. The soft Belgian linen shade is the perfect complement to the richly textured Ceramic body. Just 4 ½" wide at the base, Denali makes a big impact but leaves a small footprint. Choose from White, Gray or Dusk Black finishes to bring an organic beauty to any space.
